Internship with Biodiversity Monitoring & Reporting, Pretoria

August 2008 to January 2009

We are offering an internship position to a promising student in the biological sciences to contribute towards the further development of the National Biodiversity Headline Indicators.

Applicants should be black South Africans and must be registered for a Masters degree. The intern will be assisting with collecting background literature, data and metadata for the National Biodiversity Headline Indicators, which are a set of statistics to be used by SANBI to report to the Minister of Environmental Affairs and Tourism on the status of our biodiversity.

The internship is offered at the Biodiversity Centre, Pretoria.

Remuneration: R5000,00 per month. As this is a contract position, no benefits apply.

Please complete the attached internship application form and email it to Ms Fiona Kahn at kahn@sanbi.org or fax to 021.762 3229. Postal applications may be addressed to: Ms Fiona Kahn, South African National Biodiversity Institute, Private Bag X7, Claremont, 7735.

Closing date: 31 July 2008
