Project Contractor: Government of the Republic of South Africa, National Department of Environmental Affairs and Tourism

Project Management: South African National Biodiversity Institute (Kirstenbosch & Pretoria)

Project Funding: The production of this map was made possible with a generous donation from the Environmental Agreement between the Government of the Republic of South Africa and the Government of the Kingdom of Norway through the National Department of Environmental Affairs and Tourism

GIS Management: Leslie W. Powrie (SANBI, Kirstenbosch Research Centre)

GIS Assistance: Ron G. Bennett (KwaZulu-Natal Department of Agriculture, Cedara), Walter J. Smit (SANBI, Kirstenbosch Research Centre), Bertie van der Merwe (ARC Institute for Climate, Soil & Water, Stellenbosch), David B. Hoare (ARC Institute for Range & Forage, Roodeplaat), Mervyn C. Lötter (Mpumalanga Parks Board, Lydenburg), Zuziwe Jonas (University of the Western Cape, Belville & SANBI, Kirstenbosch Research Centre), Amanda T. Lombard (Conservation Systems, Sedgfield), Willem de Frey (EkoInfo, Pretoria), Riaan Robesson (Bathusi Environmental Consulting, Centurion), Carl Oellermann (Ezemwelo KwaZulu-Natal Wildlife, Pietermaritzburg), André Grobler (University of Pretoria)

GIS Data Sources: Topographic data supplied by the Chief Directorate: Surveys and Mapping, Mowbray (w3si.wcape.gov.za) reproduced under Government Printer's Copyright Authority No. 11243 dated 4 January 2005. Other Data Supplied by: Agricultural Catchments Research Unit (University of KwaZulu-Natal), Agricultural Research Council, Botanical Society of South Africa, CapeNature, Council for Geoscience, CSIR, Ezemwelo KwaZulu-Natal Wildlife, KwaZulu-Natal Department of Agriculture, National Aeronautics and Space Administration, National Department of Environmental Affairs and Tourism, National Department of Water Affairs and Forestry, Peace Parks Foundation, SANBI Data Centre, SANBI GIS Lab, South African National Parks, Terrestrial Ecology Research Unit (Nelson Mandela Metropolitan University), Water Research Commission (The former Computing Centre for Water Research). Geographical names as approved by the South African Geographical Names Council as gazetted before 1 January 2005

Cartography: Johannes H. van der Merwe and Adriaan van Niekerk (Centre for Geographic Analysis, Stellenbosch University)

Layout and design: Keith Melvin-Phillips (Keith Phillips Images cc, Somerset West)

Printer: Tien Wah Press (PTE) Limited, Singapore
