Please answer **ALL** questions honestly.

Question	Yes/No	Comments
Are you currently employed?		
YES project participants will need a bank account in their OWN name. Do you have this?		
Are you prepared to sign a one year contract?		
Are you committed to rendering full time community service for one year?		
Are you committed to attending a workplace 5 days a week for the duration of the one year contract?		
Do you have an email address?		
Do you have access to Whatsapp? If not will you be willing to get access?		
Will you be willing to be engaged in an accredited training course (level 5)		
Will you be willing to save a portion of your monthly stipend as a project participant for further studies?		

- Have you been engaged in any community service / environmental / EPWP programme previously? _____. If so please state the name of the programme and what experience you gained.

- In the YES project you will be a member of a waste management cooperative. What is your understanding of a cooperative? _____

What role do you see yourself playing within the cooperative and what skills would you bring?

- If you were to be accepted onto the YES project, which exit opportunity would be best for you at the end of the one year contract? (place a X)

Further Studies	Own business / member of a cooperative	A job working for an organisation
-----------------	--	-----------------------------------

Explain your choice: _____

- The attainment of the exit opportunity is a requirement of the programme and Delta and DEA will assist. However, the responsibility lies with the YES participant in attaining the exit opportunity. Explain what efforts you will make to ensure you get the desired exit opportunity if you are selected to be on the YES project. _____
