CERTIFICATE OF INDEPENDENT QUOTATION DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all quotations¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

The South African National Biodiversity Institute (SANBI) will once again be participating in the RHS Chelsea Flower Show this year, which will take place from 22 to 26 May 2018. Our exhibit will be 10m X 10m in size and is one of the largest in the flower display section of the show. The show is visited by 170 000 and is covered extensively in the media across the world. The South African media and public closely follow the developments of Kirstenbosch-South Africa's exhibit at the show.

All of the construction materials, fresh cut flowers and plant material for the exhibit have to be air freighted from Cape Town to London. A freight agent who can deliver our plant material to the show grounds in excellent condition within the given time frames is key to the success of this prestigious exhibit.

2. Scope of work, deliverables and time frames

We require a door to door service; the materials are to be collected from Kirstenbosch National Botanical Garden (KNBG), Rhodes Drive, Newlands, Cape Town, South Africa, air freighted to London, cleared through customs in the UK and delivered to the Chelsea Flower Show grounds, Chelsea Embankment, London, UK.

There will be two consignments requiring transportation to London:

1. The first consignment will be for the collection and delivering of the stand construction materials (Arriving in London on 14 May), and
2. The second for the collection of fresh cut flowers, plants or plant material and miscellaneous materials (brochures, etc.) from Kirstenbosch NBG, keeping of fresh cut flowers, plants or plant material in cool rooms in the UK until cleared by customs in the UK, and then delivered all the above to the RHS Chelsea Flower Show grounds on 16 or 17 May 2018.

The prospective bidder will be responsible for organising the following legally required documentation:

- Facilitating the possible collection of the Flora CITES Export permit from the Department of Environmental Affairs in Arcadia, Pretoria to accompany the consignment (Includes the completion of the documentation by SA customs officials);
- The possible collection of CITES import permits from the UK CITES Management Authority in Temple Quay, Bristol, UK (Ensuring availability to UK customs officials at the port of entry);
- The linking of the Kirstenbosch National Botanical Garden account through the PEACH system to your company account with the Department for Environment, Food and Rural Affairs (DEFRA) (In order to access the PEACH system, your company must have been registered and enrolled with the Government Gateway) and registering the plant material to be imported on the system well in advance ensuring registering time for the inspection of flora material by officials of DEFRA at the port of entry;
- Ensuring that the phytosanitary certificate issued by NPPO in SA is signed by customs officials in South Africa and accompany the consignment and is available to the Animal and Plant Health Agency (APHA), UK.

- Ensuring that all other permits required to cover all flora species accompany the flora consignment and are available for inspection at the port of entry into the UK.

3. Management and reporting

Overall accountability is to the Curator of Kirstenbosch.

The Kirstenbosch Events Manager will be responsible for the management of the service provider in terms of delivery on the agreed work plan and outputs.

SANBI's Permits Officer will liaise with the service provider on matters pertaining to the permits required to export plant material to the UK.

4. Competencies

In order to fulfil this role, the Service Provider requires the following skills and competencies. The response to these Terms of Reference should indicate the extent to which the Service Provider fulfils these requirements:

- Past experience in freighting fragile and perishable goods from South Africa to the UK
- Past experience in exporting and handling the necessary permits and certificates for exporting plant material to the UK
- Ability to work within our strictly regulated timeframe and deliver on very specific dates.

5. Requirements for proposal

Service Providers interested in contributing towards this project should submit a concise written proposal that addresses the scope of work and the above requirements and outputs.

The proposal must include:

5.1. A response to the Terms of Reference:

5.1.1. Details of prospective service provider, including relevant experience and track record.

5.1.2. A description of the prospective service provider's approach to and interpretation of the scope of work and deliverables.

5.1.3. Contact details of at least three current or recent clients.

5.2. Budget

Bidders should submit a quotation for the following service:

Air freight of two consignments from Kirstenbosch NBG in Cape Town to the Chelsea Flower Show grounds in London:

Consignment 1:

- Building materials, must arrive in London on 14 May
- Total weight: 2 400 kg *
- Volume: 2 AAP containers*
- The material is fragile and should ideally be packed in containers

Consignment 2:

- Plant material, must arrive in London on 16 or 17 May
- Total weight: 1 000 kg *
- Volume: 3 AAP containers*
- The material is fragile and should ideally be packed in containers

** The exact weight and volume of our freight is not known yet. These weights and numbers of containers are however based on a real scenario of a previous year and should be close to the actual weight and*

volume of this year's freight. We understand that the real cost to us will be slightly different to the quotation depending on the real weight and volume of our consignment. This quotation would however give us a good indication of the cost that can be expected and will enable us to compare quotations from different freight companies.

- Any additional airfreight charges e.g. fuel surcharge per kg, security surcharge per kg, etc.
- Collection and transport from Kirstenbosch NBG to Cape Town International Airport— including all additional charges e.g. cartage, documentation, etc.
- Charges in the UK including handling, customs clearance, documentation, transport from Heathrow and delivery to Chelsea Flower Show, etc.
- Organising of legally required documentation, as stipulated under point 2: *Scope of work, deliverables and time frames*

SCM REQUIREMENTS

- The bidders are required to attach original or certified copy of the BBBEE certificate or a sworn affidavit. (Please note that failure to submit a valid original or certified B-BBEE certificates or sworn affidavit mentioned above will not necessarily result in a bid being disqualified, but no points will be awarded for B-BBEE status.)

The Preferential Procurement Policy Framework Act (No. 5 of 2000) and SANBI's procurement process apply to these Terms of Reference. Note that service providers are required to comply with the processes outlined here and failure will result in the disqualification of proposals:

6. Evaluation criteria

In accordance with the National Treasury Instruction Note on the Amended Guidelines in Respect of Bids that Include Functionality as a Criterion of Evaluation (issued on 3 September 2010), proposals will be evaluated in two stages:

6.1. The first stage will evaluate functionality according to the criteria list below in the table below:

Criteria for measuring functionality	Weight

2. Understanding of the requirements for this project and ability to meet the stipulated time frames	30

the proposal. Failure to submit such a certificate will not necessarily result in the proposal being disqualified, but no points will be awarded for B-BBEE status.

7. Contractual arrangements
