CERTIFICATE OF INDEPENDENT QUOTATION DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all quotations¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

Garden, Rhodes Drive, Newlands**

Quotation Number: Q6024/2018

*The South African National Biodiversity Institute (SANBI) wishes to appoint a consultant to provide
support to SANBI's Climate Change Division*

1. INTRODUCTION

SANBI wishes to appoint a service provider to conduct training as part of a capacity building programme for the uMngeni Resilience Project (URP) at the uMgungundlovu District Municipality (uMDM) in KwaZulu-Natal.

The uMDM is the Executing Entity responsible for implementing the URP, which is a five year project that aims to increase the resilience of vulnerable communities to the impacts of climate change. The project is piloted at four sites across three local municipalities in the District.

The project is funded by the Adaptation Fund, with SANBI as the National Implementing Entity.

The project has four components:

- Component 1: Early Warning Systems
- Component 2: Climate-proof settlements
- Component 3: Climate-resilient agriculture
- Component 4: Capacity building and learning

A service provider is required to design, develop and implement a skills development programme aimed at community members, councillors, traditional authorities and officials within the uMngeni Resilience Project. It is envisaged that this will empower community members to engage with officials and other members of their communities with on issues related to climate change and building of resilience.

The training is for URP staff and community members who are the beginner level of knowledge on these topics. Training must include plenty of practical examples where different climate change adaptation issues and practices can be explored and developed through "practice based dialogue" and interactive "sharing and doing".

The candidates to be trained may be split into smaller groups. This must be reflected in the proposal and the reasons for the splitting must be clear.
