CERTIFICATE OF INDEPENDENT QUOTATION DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all quotations¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:
- 6 Includes price quotations, advertised competitive bids, limited bids and proposals.
- 7 Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CALL FOR EXPRESSION OF INTEREST
Issued by the Biological Invasions Directorate

South African National Biodiversity Institute

Background and overview of task

The Biological Invasions Directorate (BID) of the South African National Biodiversity Institute (SANBI) targets localized Invasive Alien species. These species have not yet reached their full invasive potential and occur as relatively small or localized populations. Removal of these populations at an early stage of invasion will limit spread to other areas, save on future costs of control, and contribute to the ultimate goal of eradication of these species from South Africa.

SANBI is targeting *Berberis aristata* and for eradication in Haenertsburg (LIMPOPO).

Duration of the contract:

This contract is for **59 days including training days** between **Nov - March 2021**

Contract budget:

The contract budget using Working for Water National Resource Management rates (see table for rates on page 5). For this contract these rates translates to R 1 782 per day.

Details of the work required:

This work requires a physically fit team of **8 people** (one qualified team leader (contractor or supervisor) and 7 herbicide applicators), who has had previous experience in clearing invasive alien plants to:

- Visit each of the known localities.
- Data from each population cleared must be recorded on data collection sheets and suitable electronic devices. Null record data must also be collected.
