Question and Answer:

1. Question –

In tender document SANBI G505/2023, paragraphs 9.12 (waste management plan) and 9.13 (risk management plan) refer to a section 2.20 in document 2. I am unable to trace this section. Could you kindly clarify.

Answer-

I am fine thanks for asking and hope you are too. Please ignore the reference to that specific page and document. This was a mistake and should simply say “refer to Annexure L & M where these plans should be presented.

Mpho and SCM tenders please can you ensure that this email and my response is also sent to all the bidders that were present.
